

MAKE THE CALL TODAY FOR A LOVED ONE WITH PROBLEM GAMBLING

WHAT IS PROBLEM GAMBLING AND BETTING?

Gambling disorder is considered a diagnosable and treatable disorder. While problem gambling has its own set of criteria for diagnosis and treatment, many do not seek help for this potentially life-threatening condition. If someone you know is struggling with gambling or betting, you're not alone and help is always available. Make the call at 1-800-589-9966.

ALARMING TO NOTE

Approximately 1 in 5 individuals who struggle with problem gambling contemplate suicide, the highest rate amongst all known addictive disorders. Make the call today.

CALL THE HELPLINE

RECOGNIZE THE WARNING SIGNS

The signs of a person struggling with gambling and betting are not always easy to see. A few signs to look for include:

- Spending a lot of time gambling
- Gambling more often or with more money
- Withdrawing from relationships
- Hiding gambling and betting behavior from friends and family
- Borrowing money for gambling
